KMCT AYURVEDA MEDICAL COLLEGE

INSTITUTIONAL INNOVATIONAL CELL

Aim:

To provide ample opportunity for young vibrant minds and seasoned intellectuals to pursue a hassle free journey to their passionate destinations, and to promote translational research

Objectives:

- 1 To promote innovative ideas to counter common problems in clinical practice and to improve healthcare system in the country
- 2 To provide a platform for young scientists and students to express their concepts
3. To provide technical support and a network for collaboration for such innovators
- 4 To encourage medical fraternity and students to surge into area of inventions and IPR registrations
5. To assist the innovators to get IPR/patent
6. To provide a platform for training and education on how to bring an idea into reality
7. To institute awards for best innovations annually
8. To provide seed funding for selected practice changing innovations and to assist the scientist to get external funding
