NABH

NABH as an organisation is ISQua Accredited

KMCT AYURVEDA MEDICAL COLLEGE

Approved by NCISM and Affiliated to Kerala University of Health Sciences.

National Accreditation Board for Hospitals and Health care providers

On **May 28, 2024**, **KMCT Ayurveda Medical College** achieved a significant milestone by receiving the prestigious **NABH accreditation** award. NABH, which stands for the **National Accreditation Board for Hospitals & Healthcare Providers**, is a mark of excellence that recognizes healthcare institutions for adhering to the highest standards of patient care, safety, and quality management.

Receiving this accreditation is a testament to the consistent efforts of the college's management, faculty, and healthcare staff to ensure a well-rounded healthcare environment, focusing on both patient satisfaction and academic rigor. This recognition not only highlights the college's dedication to promoting traditional Ayurvedic medicine but also its commitment to adopting modern best practices in hospital and patient management.

The NABH accreditation is considered a gold standard in the healthcare industry and ensures that the institution maintains quality benchmarks in various areas, including:

- **Patient-Centered Care:** Ensuring patients receive personalized and holistic care, aligned with their medical and cultural needs.
- **Quality and Safety Standards:** Implementing stringent quality protocols to maintain hygiene, safety, and treatment efficiency.
- **Faculty Excellence and Infrastructure:** Providing high-level training for students, modern medical facilities, and advanced healthcare infrastructure.
- **Continuous Improvement:** A focus on regular self-assessment and external evaluations to improve service delivery.

By securing the NABH award, KMCT Ayurveda Medical College has positioned itself among the top healthcare institutions in India that integrate traditional Ayurvedic practices with global standards of healthcare. This achievement further strengthens its reputation as a leader in providing holistic, patient-centric care rooted in India's ancient medical wisdom.

Campuses of Kozhikode project

The Campuses of Kozhikode project of the Kozhikode district administration is planning to widen its horizon by entering new avenues. A meeting of the Campuses of Kozhikode units on Tuesday decided to lend services to the differently abled and to the avenues of waste management and lifestyle diseases.

The services include identifying differently abled people in the nearby areas of each campus and ensuring that they obtain all benefits they are qualified for and provide them with the necessary documents and help them obtain the necessary equipment. Besides, the units will ensure that the green protocol is followed by planning waste management on campuses and join the campaign under the 'Jeevathalam' programme to detect and treat lifestyle diseases.

Final Year University Ranks at Kerala University of Health Sciences (KUHS) - BAMS Examination, June 2023

The results of the **Final Year Bachelor of Ayurvedic Medicine and Surgery (BAMS)** examination, conducted in June 2023 by the **Kerala University of Health Sciences (KUHS)**, brought great pride to several outstanding students. Among them, three individuals particularly stood out for their remarkable academic achievements, securing top ranks in the university.

1. Hareena Maria Morris – First Rank

- Hareena Maria Morris achieved the **first rank** in the final year BAMS examination. This prestigious accomplishment reflects her dedication, hard work, and deep understanding of Ayurvedic principles and practices. Her exceptional performance not only brought honor to her but also highlighted her potential to make significant contributions to the field of Ayurveda in the future. Hareena's top rank underscores her academic excellence and passion for traditional medicine.

2. Chaitra – Fourth Rank

- Chaitra secured the **fourth rank** in the university, showcasing her academic brilliance and commitment to Ayurvedic studies. Ranking among the top students in such a competitive examination demonstrates her comprehensive knowledge of Ayurveda and her ability to apply it in a clinical setting. Chaitra's achievement is a testament to her perseverance and hard work throughout her years of study.

3. Syama S Nath – Eighth Rank

- Syama S Nath earned the **eighth rank** in the final year BAMS examination, further contributing to the group of top achievers in the class. Her strong performance in the exam illustrates her dedication to Ayurvedic learning and practice. Syama's rank places her among the brightest minds in her cohort, reflecting her diligent efforts and thorough understanding of her field.

Outstanding Achievement in Kerala University of Health Sciences 3rd Year BAMS Examination - June 2022

The **Kerala University of Health Sciences (KUHS)** conducted its 3rd-year BAMS (Bachelor of Ayurvedic Medicine and Surgery) examination in June 2022, and the results have highlighted the exceptional academic performance of students from various Ayurvedic institutions. Among the top achievers, **Hareena Maria Morris, Chaitra, and Syama S Nath** have made remarkable achievements, securing top ranks in this highly competitive exam.

The success of **Hareena Maria Morris** (1st rank), **Chaitra** (3rd rank), and **Syama S Nath** (8th rank) in the Kerala University of Health Sciences 3rd Year BAMS examination is a proud moment for their respective institutions and the field of Ayurvedic medicine. Their hard work, dedication, and passion for Ayurveda have placed them at the forefront of academic excellence in the state, serving as an inspiration for their peers and future students pursuing Ayurvedic studies.

Students Performance

In July 2023, students of **KMCT Ayurveda Medical College** achieved remarkable success in the **First Professional BAMS (Bachelor of Ayurvedic Medicine and Surgery) regular examination**, conducted by the **Kerala University of Health Sciences (KUHS)**. The college has a reputation for producing high-performing students, and this exam was no exception. Many students secured outstanding scores, showcasing their dedication to Ayurvedic studies and their rigorous preparation.

Among the top performers, several students achieved some of the highest marks in the examination, reflecting the quality of education and guidance provided at **KMCT Ayurveda Medical College**. The faculty's continuous efforts to support academic excellence, along with well-structured training programs, played a pivotal role in this achievement.

K-DISC STATE LEVEL YIP WINNERS

On **20th July 2023**, three talented interns from **KMCT Ayurveda Medical College (KMCT AMC)** – **Jasir, Murshida Irfana, and Jijy** – were honored with the prestigious **K-DISC YIP (Kerala Development and Innovation Strategic Council Young Innovators Programme) Award**. This recognition highlights their innovative thinking, commitment to research, and contributions to the field of Ayurveda and healthcare.

The **YIP Award**, established by K-DISC, encourages young innovators to develop groundbreaking ideas that can address real-world problems. The trio from KMCT AMC demonstrated exceptional creativity and research skills, which led to their project being selected for this accolade. Their achievement is a reflection of the quality of education and the supportive environment provided at KMCT Ayurveda Medical College, where students are encouraged to think outside the box and contribute to the advancement of traditional Ayurvedic practices.

BIRAC YUVA PROGRAM SHORT LISTED

A team of talented students from **KMCT Ayurveda Medical College** – **Nadeera K., Nandana N., Linsha Rosel C.K., Abhiram Chackolangara, and Taha Rashid**, under the mentorship of **Dr. T N Harikrishnan** – achieved a significant milestone by being shortlisted to present their innovative project proposal titled "**VB Effervescent Tablet - A Novel Classical Ayurvedic Supplement**" in the prestigious **BIRAC-E Yuva Programme**.

The **BIRAC-E Yuva (Biotechnology Industry Research Assistance Council Entrepreneurship Yuva)** programme is a national initiative that encourages young minds to propose innovative ideas and solutions in the field of biotechnology and healthcare. The project by the KMCT team aims to develop an Ayurvedic effervescent tablet, which reimagines classical Ayurvedic formulations into a modern, easy-to-consume supplement. This innovation bridges the gap between traditional medicine and contemporary health needs, making Ayurveda more accessible and appealing to the modern generation.

The selection of their project for presentation in such a reputed platform underscores the students' commitment to research and development in Ayurvedic sciences, showcasing their ability to combine traditional knowledge with cutting-edge technology.

This recognition not only highlights the potential of their project but also brings immense pride to KMCT Ayurveda Medical College, demonstrating the institution's role in fostering innovation and excellence in Ayurvedic education and research. Their accomplishment serves as an inspiration for fellow students to explore the possibilities of blending ancient wisdom with modern science.
