MEDICAL COLLEGE

KMCT AYURVEDA MEDICAL COLLEGE

Approved by NCISM and Affiliated to Kerala University of Health Sciences.

Vision

To be an institution of excellence in Ayurvedic education, research and healthcare.

Mission

To provide high quality, holistic education in Ayurveda, incorporating traditional Ayurvedic wisdom along with contemporary scientific advancements
To develop an aptitude for research focused primarily on the needs of the patient as well as ease of operations of an Ayurvedic physician
To promote holistic wellbeing of a patient through individualized treatment plan focused on his/her current physical, mental and social wellbeing.
To inculcate a deep sense of social responsibility in each student by engaging them in extension activities aimed at awareness and containment of communicable diseases and conditions among the less privileged in the society

Health care

KMCT Ayurveda Medical College is run by a charitable Trust named Kunhitharuvai Memorial Charitable Trust (KMCT). From humble beginnings KMCT is now an organisation which has 18 colleges related to medical and paramedical care with state of the art facilities. Treatment costs are at affordable rates with free or subsidized treatment provided to those with poor economic background in tune with our mission of compassionate healing

Education

We now have an intake of 60 students per year in the under graduate sector. The academic council and Academic monitoring committee with Curriculum Committee ensures constant upgradation of teaching learning programs with innovative methods. Simulation based teaching through skill labs are done regularly. ICT facilities are provided in classrooms for easy learning. The Moodle platform is used to create personalized learning environments. Exposure to community service through medical camps, service to old age homes and palliative care helps create asocially committed medical professionals as envisaged by the NCISM. Faculty training programs are

conducted regularly for maintenance of standards and constant upgradation of knowledge.

Research

Research works in collaboration with governmental and non-governmental bodies is regularly done in order to achieve its mission of fostering exchange of ideas. In quest of establishing excellence in research we have registered and obtained funds for research under the IEDC (Innovation and entrepreneurship developmental cell) scheme of Kerala Start Up Mission of Govt. of Kerala. (KSUM).

Governance

KMCT has a decentralized and participative structure for governance. The Trust permits a functional autonomy to the statutory and non-statutory bodies to achieve excellence in academic and research activities as well as to provide quality health care. Various Stakeholders of the institute participate in statutory and non-statutory bodies and meet regularly to ensure proper functioning of the institution.

The hospital has already been certified with NABH accreditation.
