Setting Up a Student Space in the Garden

As part of the National Service Scheme (NSS) camp, a dedicated initiative was undertaken to create a student space within the garden area. The objective was to provide students with a conducive environment for learning, relaxation, and social interaction amidst nature. This report outlines the planning, execution, and outcomes of this endeavour. The inauguration ceremony commenced with an invocation, setting a tone of reverence and respect for nature followed by NSS Song. Dignitaries, including Dr Shubhasree G H, Principal K M C T Ayurveda College, Dr Dinesh, Professor and HOD, Dept. of Dravyaguna, were invited to inaugurate the tree planting initiative by planting the first saplings. Following the inauguration, speeches were delivered by distinguished guests, emphasizing the importance of tree planting in combating climate change, conserving biodiversity, and enhancing the quality of life. Speakers highlighted the role of NSS volunteers as agents of change and urged them to actively participate in the tree planting drive. 32 students were participated.

Greeshma rithucharya for Summer Wellness

An initiative was undertaken to distribute Ayurvedic juices aimed at promoting summer wellness and enhancing knowledge about Ayurveda-based dietary practices on 04/03/2024. The objective was to provide campus with refreshing and health-enhancing beverages while educating them about the principles of Ayurveda and its dietary recommendations for the summer season. Prior to the camp, research was conducted to identify Ayurvedic ingredients and recipes suitable for preparing summer juices. Volunteers worked together to prepare the Ayurvedic juices using the selected ingredients and following the prescribed recipes. Emphasis was placed on hygiene and food safety practices to ensure the quality of the juices.

Field visit to WATER TREATMENT PLANT KWA

On 15th December 2023, students of KMCT Ayurveda Medical College visited the Kerala Water Authority's (KWA) Water Treatment Plant. The visit was organized to provide the students with practical knowledge about the water treatment process, the various stages involved, and the importance of ensuring the supply of clean and safe drinking water to the public. The students arrived at the plant at 10:00 AM and were greeted by the plant manager and the technical staff. An introductory session was conducted, where the plant manager briefed the students about the history of the plant, its capacity, and the importance of water treatment in maintaining public health. The manager also highlighted the key objectives of the visit. Third year students were attended.

Swachath Seva – 01/10/2023

On October 1, 2023, the students of KMCT Ayurveda Medical College participated in a Swachhata Seva cleaning drive as part of the nationwide initiative to promote cleanliness and hygiene. The event was organized with the goal of creating awareness about the importance of maintaining a clean environment and to contribute to the Swachh Bharat Abhiyan, a campaign launched by the Government of India to achieve universal sanitation and cleanliness.

The students, along with faculty members, gathered early in the morning to begin the cleaning drive. Equipped with gloves, brooms, and garbage bags, they focused on cleaning the college premises, surrounding areas, and nearby public spaces. The drive included the removal of litter, clearing of debris, and the proper disposal of waste materials. 46 students were participated

AYURVEDA PRACHARAN YATRA

On November 8, 2023, students from KMCT Ayurveda Medical College actively participated in the Ayurveda Pracharana Yatra, an event organized in association with the Department of Indian Systems of Medicine (ISM). This initiative aimed to promote the awareness and benefits of Ayurveda, a holistic system of medicine that has been practiced in India for thousands of years.

The event was well-received by the community, and the involvement of the students from KMCT Ayurveda Medical College was particularly appreciated. Their enthusiasm and dedication to spreading the knowledge of Ayurveda were evident throughout the day, making the Yatra a successful endeavor in promoting this ancient science.

Agadatantra Visit

Students from 2020 batch visited the Pappinisseri Visha ChikilsaKendram and Parassinikkadavu Snake Park as part of their external activity. As part of the academic curriculum and to enhance the practical knowledge of students in the field of toxicology and Ayurveda, a study tour was organized for the students of the 2020 batch of KMCT Ayurveda Medical College. The tour included visits to two prominent centers: the Pappinisseri Visha ChikilsaKendram, known for its traditional treatments for snake bites and other toxicological conditions, and the Parassinikkadavu Snake Park, a well-known reptile preservation center.

Awareness on ROLE OF AYURVEDA IN PUBLIC health

On 23rd February 2023, KMCT Ayurveda Medical College hosted a seminar titled "Role of Ayurveda in Public Health Programs," presented by Dr. Praveen, a respected Medical Officer with extensive experience in public health and Ayurveda. The seminar was organized to provide students with insights into how Ayurveda can be effectively utilized in public health initiatives to promote holistic well-being. Dr. Praveen began his presentation by discussing the foundational principles of Ayurveda and its emphasis on maintaining balance within the body, mind, and spirit. He explained how these principles align with modern concepts of preventive healthcare and can be applied in public health programs to address various health challenges. 60 students were participated.

Oral Health and Hygiene Awareness Program

On 20th March 2023, the students of KMCT Ayurveda Medical College organized an Oral Health and Hygiene Awareness Program. The initiative was part of the college's efforts to promote public health and educate the community on the importance of maintaining good oral hygiene. The program aimed to spread awareness about oral health, prevention of dental diseases, and the role of Ayurveda in maintaining oral hygiene. The program commenced with an inaugural session, where the faculty advisor and student representatives welcomed the participants. The importance of oral health as a key aspect of overall well-being was emphasized. The session set the tone for the day's activities by underlining the need for regular dental care and the prevention of oral diseases.

Activity – 2021-2022

ANTI DRUG HUMAN CHAIN AND PLEDGE AGAINST DRUGS

On November 1, 2021, the NSS (National Service Scheme) Volunteers of KMCT Ayurveda College organized an impactful event to raise awareness about the dangers of drug abuse. As part of this initiative, the volunteers formed a human chain, symbolizing unity and collective action against the menace of drugs. Along with this visual demonstration, the participants took a pledge against drugs, committing themselves to staying away from substance abuse and promoting a drug-free environment within their community.

The event aimed to highlight the importance of resisting peer pressure, making informed choices, and spreading awareness about the detrimental effects of drugs on individuals and society. Through their actions, the NSS volunteers at KMCT Ayurveda College hoped to inspire others to join the fight against drug abuse and contribute to building a healthier, drug-free society.
